

Herein, it is (name & surname) the son/daughter of(father's name) according to the attached passport image , I am totally committed to make an application, either personally or via my legal representative, so as to get the official transaction permit of securities for foreign investors from the Securities and Exchange Organization of Iran (SEO) within one month after giving in this very pledge.

In case when the aforementioned permit is not granted for any reason, Central Securities and Depository of Iran (CSDI) is entirely and officially allowed to block created transaction accounts. In addition, the rights to complain and object are not accepted under any circumstance.

The Investor's Signature

The authentication is done

The certification of signature from embassy/council/protecting power
